**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't deny access to unbundled lines and backhaul network elements to companies like sonic. Before i had sonic, comcast was only high speed internet provider i had access to. Now i have sonic 1gb fiber. Their trucks came through and installed fiber all over my neighborhood and made life better with an alternative fast internet connection.

I went from paying \$120/mo for 250mb down/15mb up to \$40 for 1gb down/1gb up.

The FCC should be helping to promote the kind of business Sonic is running, not shutting it down.
